HAND TOOLS

EagleGroup, a privately-owned joint stock Egyptian company established in 2014, offers comprehensive logistics services for international trade.

Since its establishment, Eagle Group became an expert in offering logistics solutions in all modes of transportation, Ocean, Air, and Land. Services vary from facilitating the shipment process on all levels to acquiring the best rates for shipping your cargo to be a hassle-free way to handling the process of importing and exporting goods.

Through a tailored service approach, we provide each customer with a unique solution that fits their individual supply chain. Our integrated logistics services enhance the value of customer's product by reducing product costs and maximizing revenues, giving customers a competitive edge in a continuously challenging global market.
